## Kraftex "Pratliglo"

A self-levelling, pour-on coating for trays, table tops, plaques, decoupage, clocks and figurines. It sets to a high-build ultra-gloss finish which is absolutely breathtaking. This non-shrinking, impact resistant coating is also cigarette-burn and alcohol resistant.

**(4x200ml per dispenser)  
96102**

## Kraftex "Decopodge" Sealant

A "podge" product especially useful for sealing newspaper cuttings, porous substrates, decoupage, photographs and the like. Sealing prevents bubble formation and it prevents newspaper cutting becoming transparent. Can also be used as an adhesive for sticking down photos and cuttings prior to sealing.

**(4x250ml per dispenser)  
96104  
(1litre jar)  
96115**

## Kraftex "Varnish"

A mineral based, multi-purpose varnish. It will bring out the rich grain and lustre of quality wood. May also be used to coat the sides of any decoupage product to produce a glossy finish. Can be used prior to pouring "Pratliglo" over porous or oily wood, to seal and prevent bubble formation.

**(4x250ml per dispenser)  
96113**

## Kraftex "Seal Coat"

A quick dry, mineral based transparent sealant/varnish which is easy to apply and virtually odourless. Intended for use on decoupage and other general craft projects — especially for the coating of difficult objects such as ostrich eggs. Ideal for use in conjunction with Kraftex Creative Cracks and Kraftex Antique Cracks.

**(4x100ml per dispenser)  
96114**

## Kraftex "Creative Cracks"

Enables you to effortlessly and quickly create a unique decorative "crack effect" on a variety of painted craft, hobby and artistic objects, even large surfaces like doors and walls.

**(4x250ml per dispenser)  
96109**

## Kraftex "Antique Cracks"

Will enable you to effortlessly and quickly create a unique 'antique' crack on a variety of surfaces. This product consists of a two-part water-based system. You apply the base coat for either large or small cracks and then apply a standard top coat to achieve the desired effect.

**(4x250ml per dispenser—large)  
96111**

**(4x250ml per dispenser—small)  
96112**

**(4x250ml per dispenser—top coat)**
